

SYMBOLRAETSEL

Zu diesem Gleichungskonstrukt sind die realen Zahlen zu ermitteln.

$$\begin{array}{c} \text{[Shaded] [Shaded] [Shaded]} + \text{[Shaded] [Shaded] [Shaded]} = \text{[White] [Shaded] [Shaded]} \\ + \qquad \qquad \qquad + \qquad \qquad \qquad + \end{array}$$

$$\begin{array}{c} \text{[Shaded] [Shaded] [Shaded]} + \text{[Shaded] [Shaded] [White]} = \text{[White] [Shaded] [White]} \\ \hline \end{array}$$

$$\text{[Shaded] [Shaded] [Shaded]} + \text{[Shaded] [Shaded] [Shaded]} = \text{[Shaded] [Shaded] [Shaded]}$$

$$\begin{array}{c} \text{[White] [White] [White]} + \text{[White] [White] [White]} = \text{[White] [White] [White]} \\ + \qquad \qquad \qquad + \qquad \qquad \qquad + \end{array}$$

$$\begin{array}{c} \text{[White] [White] [White]} + \text{[White] [White] [White]} = \text{[White] [White] [White]} \\ \hline \end{array}$$

$$\text{[White] [White] [White]} + \text{[White] [White] [White]} = \text{[White] [White] [White]}$$
